

## Ponds Plus

### *Watergardens & Landscaping*

**Y**our home and property are the most valuable things you own, so don't trust them to anyone but the best. In southern Louisiana your landscaper of choice is Ponds Plus, located in Larose, phone 985.632.8877, pager 985.672.7236. The experts here will help you formulate a step-by-step plan to make your home or business property more beautiful and more valuable. Their expert advice can be invaluable. For instance did you know that when properly done, landscaped shrubbery could keep your house warmer in the winter and cooler in the summer. They offer a variety of mulches, stone, and shrubs. Ponds Plus will put the same personal care into the proper planting selection and landscape design you would yourself. Ponds Plus uses only healthy flowering, evergreen and deciduous plants that have been crossbred and hybridized to resist disease so that years from now your investment will be safe. Ponds Plus helps you save money by economically planning improvements to exactly fit your needs. They also offer the proper maintenance, including fertilizing, seeding, feeding, bedcare, cypress mulch, and emergency services. Also offered is grounds maintenance, custom design and planting, irrigation systems, stone walkway and patios, lawn installation, and raised beds. We the writers of this *2004Business Profiles Review* again suggest you let Ponds Plus handle any and all of your landscaping and landscape construction needs promptly and professionally. Be sure to check out their website at [www.pondsplus.info](http://www.pondsplus.info) or e-mail them at [pondsplus@mobiletel.com](mailto:pondsplus@mobiletel.com).
